

# ECEN301 Embedded Systems Lab 6

## JTAG Debugging

Daniel Eisen 300447549

October 5, 2020

### 1 Objectives

### 2 Methodology

### 3 Questions

1. *What do you think this code does?*
2. *What is the difference in behaviour between the `ADDS` and `ADD` instructions?*
3. *List the debug capabilities of the JTAG port.*
